Job Title: Trainee Software Developer – Java

Location: Pune – Bibwewadi

CTC: ₹2.50 – ₹3.00 LPA (Based on candidate evaluation)

Bond Duration: 1.6 Years

Job Description:

We are looking for a passionate and self-driven **Trainee Java Developer** to join our software development team. This opportunity is ideal for recent graduates who are enthusiastic about Java technologies and eager to work on real-time projects using modern development frameworks.

Key Responsibilities:

- Assist in the design, development, and maintenance of Java-based applications.
- Write clean and efficient code using **Core Java, JDBC, Spring, Hibernate**, and **PL/SQL**.
- Work with **command-line interfaces** and **Linux environments** for development and testing.
- Participate in debugging and troubleshooting issues.
- Collaborate with senior developers, testers, and other team members to deliver high-quality solutions.

Job Requirements:

- Strong interest in Java development and open-source technologies.
- Academic project experience in **Core Java, JDBC, Spring, Hibernate**, and **PL/SQL**.
- Familiarity with **Command Line Interface (CLI)** and **Linux commands**.
- **Certification or training** in Advanced Java from a reputed institute is a plus.

Candidate Profile:

- Trained in **Core Java, JSP/Servlets, JDBC, Spring, Hibernate, PL/SQL**.
- Strong analytical, problem-solving, and communication skills.
- **Excellent interpersonal skills** and a **self-motivated** attitude.
- Ability to work independently and in a collaborative team environment.

Eligibility Criteria:

Education:

PG: MCA, M.Sc (Computer Science/IT)

UG: B.E., B.Sc, BCA (Computer
