

**650+ IT COURSES & GLOBAL  
CERTIFICATIONS**

 **+91 8055223360**

**Radical**  
TECHNOLOGIES

**India's No.1 Industry-Oriented IT Training  
& Global Certification Centre**

# Empowering Tomorrow's Tech Professionals, Today

With over 16+ years of excellence in IT education, Radical Technologies stands as a pioneer in Project-Based Training, Global Certifications, and Placement-Oriented Programs.

## 16+ years experience

80% hands-on + 20% theory.  
Real-world projects, labs, and scenarios.

## Placement Support

Dedicated team with 1,00,000+ successful placements and 850+ MNC tie-ups.

## Own Data Center

Enterprise-grade infrastructure with racks of servers for top-tier simulations.

## Value for Money

Build certification directly, saving time, resources, and cost.

## Global Certifications

AWS, Microsoft, Google Cloud, Red Hat, Salesforce

## Expert Trainers

600+ trainers with 10-20+ years of live industry experience.

## End-to-End Learning

Courses, projects, internships, and live mentorship.

## Advanced LMS

Use our modern Learning Management System for anytime learning access.

10,000+ Placements | 650+ Trainers | 16+ Years | Global Certifications

# OUR VISION

To bridge the gap between academic learning and real-world industry skills, equipping graduates and professionals to be future-ready through Practical Exposure, Emerging Technologies, and Global Certifications.

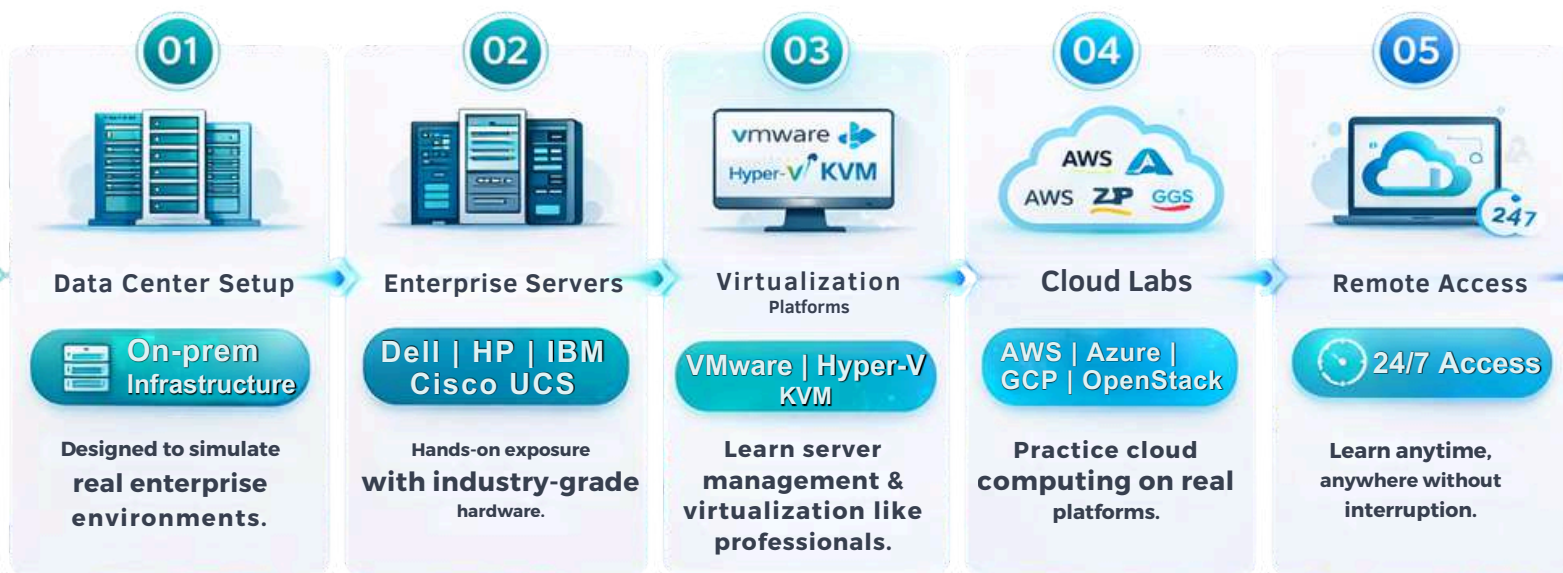

## TRAINING METHODOLOGY

- 80% Hands-on Learning
- 2+ Live Industry Projects per Course
- 5+ Real-time Scenarios with Each Technology
- Capstone Projects and Case Studies
- Continuous Evaluation and Mentor Support
- Flexible Batch Timings — Weekend & Online Options

## INFRASTRUCTURE EXCELLENCE

- Own Data Center Setup for real-world enterprise experience
- Enterprise Servers — Dell | HP | IBM | Cisco UCS
- Virtualization Platforms — VMware | Hyper-V | KVM
- Cloud Labs — AWS | Azure | GCP | OpenStack
- Remote Access for all enrolled students

## WHY CHOOSE RADICAL TECHNOLOGIES?

- 16+ Years Industry Experience  
Trusted by students and professionals across India.
- Own Data Center for Practical Training
  - Only institute in India with dedicated Data Center
  - 2 fully equipped racks with enterprise-level infrastructure
  - Real-time environment for Linux, Cloud, DevOps, and AI training
- 600+ Expert Trainers  
Industry professionals with real-time experience.
- 600+ Courses Offered  
From beginner to advanced across multiple domains. No compulsion to Join any Particular course . You can select from our 600+ courses

- 1,00,000+ Students Trained  
Strong alumni network across the globe.
- Global Alumni Presence  
Radical students are working in top MNCs worldwide.
- Placement-Oriented Training
  - Resume preparation
  - Interview support
  - Real-time project exposure
  - Continuous training support until placement
- Value for Money Programs  
Affordable training with maximum ROI

## Our Flagship Programs

Empowering Talent • Bridging Industry • Building Careers

### Academic Tie-Up Programs

*For Colleges & Universities*

- ✓ Faculty Development Programs
- ✓ Semester-Based Training
- ✓ Certification Integration
- ✓ Live Internship Projects

*Career-Ready Students*

### Corporate Training Programs

*Upskill Your Workforce*

- ✓ Tailored Learning Paths
- ✓ On-Job Mentorship
- ✓ Flexible Training Passes

*High-Performance Teams*

### Job Guaranteed Programs

*Global Career Pathways*

- ✓ International Curriculum
- ✓ Hands-On Exposure
- ✓ Job Guarantee Support

*Assured Career Growth*

## Transform Learning into Careers

Partner with us for future-ready professionals

## DATA SCIENCE + GEN AI FULL STACK - (120 CREDITS)

- Python → 14
- Statistics & Probability → 10
- Data Science → 16
- ML → 18
- AI (CNN, RNN, CV, NLP) → 16
- GENAI (LLM, RAG, MCP, Agentic AI) → 26
- Projects → 20

## DATA ENGINEERING + AI FULL STACK- (120 CREDITS)

- Programming & Data Foundations → 10
- Data Storage → 10
- Data Transformation (Python + PySpark) → 14
- Big Data with Databricks → 14
- Cloud Data Engineering → 14
- AI for Data Engineering → 14
- Automation of Pipelines using AI → 10
- MLOps & Deployment → 14
- Projects → 20

## ENTERPRISE PLATFORM ENGINEERING & IT INFRASTRUCTURE MANAGEMENT PROGRAM (120 CREDITS)

- Linux → 12 Credits
- Cloud → 18 Credits
- DevOps → 18 Credits
- Python Scripting → 10 Credits
- AIOps → 12 Credits
- SRE → 12 Credits
- MLOps (Full Stack) → 18 Credits
- Projects → 20 Credits

## CYBER SECURITY EXPERT PROGRAM WITH CLOUD, DEVSECOPS & AI (120 CREDITS)

- Networking + Linux + Programming Basics – 15 Credits
- SOC + Monitoring + SIEM – 18 Credits
- Ethical Hacking + Pentesting – 16 Credits
- Threat Hunting + Automation – 12 Credits
- DevSecOps – 14 Credits
- Cloud Security + AI Security – 18 Credits
- Gen AI in Cyber Security - 7 Credits
- Projects & Live Challenges – 20 Credits

## GLOBAL PRESENCE

-  **Pune | Bangalore | Kochi  
Thrissur | UK**
-  **+91 8056523350**
-  **training@radicaltechnologies.co.in**

## DATABASE & BUSINESS ANALYSIS

### ERP & Enterprise Solutions

- SAP (FICO, MM, ARAB, SD, PP, HCM, SCM, ARIBA, EWM),
- Oracle EBS Functional and DBA Training

### Data Analytics & Business Intelligence

- Data Science Fundamentals (Non-coding)
- Excel Analytics | Power BI | Tableau | Data Visualization
- Testing & Quality

### RPA & Other Tech Skills

- RPA (UiPath, Blue Prism, Automation Anywhere)
- ITIL, PMP, Agile, Scrum, Primavera Project Management
- Digital Marketing | Business Analysis

## </> CODING COURSES

### Programming Languages

- C, C++, Java, Advanced Java, Python, NET, Go, Rust
- Shell, PowerShell, Perl Scripting

### Full Stack Development

- Full Stack Java | Full Stack Python | MERN | MEAN | .NET Full Stack

### AI, Data & Machine Learning

- HTML, CSS, JavaScript, React Angular, Node.js, PHP, Laravel, Django

### Cloud Application Development

- AWS App Developer | Azure DevOps | GCP Developer | Servers App Design

### Mobile App Development

- iOS | Android | Cross-platform (React Native, Flutter)

### Mobile App Development

- IOS | Android | Cross-platform (React Native, Flutter)

- Automation & Middleware

- MuleSoft | WebSpFiere |

- MuleSoft | WebLogic | WebSphere | TIBCO | Apache Tomcat

## CERTIFICATIONS OFFERED

**AWS Certified Solutions Architect / DevOps Engineer**

**Microsoft Azure Administrator / AI Engineer**

- **10 Major Certifications:** Azure Fundamentals [AZ-900], Azure Administrator [AZ-104], Microsoft 365 Fundamentals, Power Platform exams. All Microsoft exams

**Cisco CCNA / CCNP**

- Major Certifications: CCNA [Associate], CCNP [Professional] in Enterprise or Security, and DevNet.

**CompTIA Security+ / Network+ / Cloud+**

- Major Certifications: A+, Network+, Security +, CySA+, and CASP+.

**Google Cloud Professional / Associate**

- Major Certifications: Cloud Digital Leader, Associate Cloud Engineer, and Professional Cloud Architect.

**Oracle Administrator / Java SE Developer /  
Oracle Cloud Infrastructure**

- Major Certifications: Oracle Database Administrator, Java SE Developer, and Oracle Cloud Infrastructure (OCI)

**ServiceNow - All Exams With Passing Assured**

## SPECIALIZED INFRASTRUCTURE & SECURITY CLIENTS

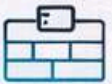

### VMware (By Broadcom)

- VCP-DCV (Data Center Virtualization) and
- VCP-NV (Network Virtualization)

### Fortinet: NSE 4

- Network Security Professional and higher-tier security specialist tracks

### Palo Alto Networks

- PCNSA | PCNSE (Network Security Engineer)

### ISC2

- CISSP (Security Professional)
- CCSP (Cloud Security)

### ISC2

- CISSP (Security Professional)
- CCSP (Cloud Security)

### GIAC

- GSEC (Security Essentials)
- GCIN (Incident Handler)

## PROFESSIONAL & BUSINESS CLIENTS

### Pearson VUE

Hosts high-stake, s exams for non-IT professional bodies

### Project Management Institute (PMI)

PMP (Project Management Professional) and CAPM

### Graduate Management Admission Council (GMAC)

The CMAT (Graduate Management Admission Test)
